Stoke Mandeville Stadium is managed by
Leisure Connection Ltd on behalf of WheelPower.

STOKE MANDEVILLE STADIUM

INTRODUCTION

Stoke Mandeville Stadium, the National Centre for Disability Sport, has the highest grade of facilities for all leading sportsmen and women. The redevelopment of Stoke Mandeville Stadium has transformed the original sports centre into a state-of-the-art leisure complex to enable WheelPower – British Wheelchair Sport to provide a venue of the highest quality for all users.

Stoke Mandeville Stadium is the 'birthplace of the Paralympic Games' and the 'home of wheelchair sport' and it owes its existence to Sir Ludwig Guttmann, a neurologist at Stoke Mandeville Hospital, who believed passionately that access to sport played a vital role in the rehabilitation of disabled people.

WheelPower provides accessible facilities at the Stoke Mandeville Stadium including an Athletics Arena, Sports Hall, Indoor Bowls Centre, Swimming Pool and Fitness Centre.

On-site accommodation is available in the Olympic Lodge Hotel and Olympic Village and is complemented by meeting and conference facilities and catering for events of all sizes.

SPORTS

Whether you want to bring one team from one sport, or several teams from several sports, Stoke Mandeville Stadium will ensure that you can get the optimum performance from your athletes and give them the extra edge during competitions. Sports that can be done at Stoke Mandeville Stadium include:

FACILITIES

Athletics Track & Field – Stoke Mandeville Stadium has one of the best facilities for athletics in the country. The track is a Mondo surface, the type used at the Olympic and Paralympic Games. Other facilities required for a full international athletics meeting are available and are supported by changing facilities, a banked viewing area, tannoy, jumping pits and field throwing areas. The athletics arena is also available for other activities including archery, football and many more.

Cazenove Sports Hall – The Cazenove Sports Hall is a 12 Badminton Court facility, with a sprung timber floor and viewing gallery with 200 seats. It is an extremely versatile space that has hosted club, regional, national and international events.

Swimming Pool – A fully accessible 25m, 6 lane swimming pool with spectator seating for 150 is available for use by your athletes.

Harper's Gymnasium – Excellent range of high quality Cardio-Vascular and Resistance Equipment for your athletes to use during their stay including many inclusive fitness stations.

The Indoor Bowls Centre – A six rink indoor bowls centre including changing facilities and social area.

Tennis Courts – 2 floodlit, macadam hard Tennis Courts.

The Olympic Lodge Hotel & Olympic Village – The Olympic Lodge Hotel includes 50 rooms with twin beds, providing accessible on-site accommodation. All our rooms have en-suite bathrooms, specially adapted for disabled guests and all are equipped with tea and coffee facilities, direct dial telephone, broadband Internet and colour televisions.

Conference Rooms – The Wolfson Conference Centre has six conference rooms varying in size. We have rooms to suit your requirements, whether it is for two or two hundred people open throughout the year. The Wolfson Conference Centre is the perfect venue for all your conference and sports meeting needs.

Catering – Our experienced catering team can design a menu specifically to meet both your requirements and your budget and would be available to meet you to discuss them. Speciality dietary needs can be catered for and nutritionally balanced menus are available.

HIGH PERFORMANCE SUPPORT

Exercise Science Consulting Ltd specialises in providing high class exercise and sport science support to get you in the optimal physical and mental shape to allow you to perform at your best.

All the services are client-centred and tailor-made for your background, lifestyle and performance goal. We leave no stone unturned in your quest for optimal performance and recognise that each client is distinctly unique.
