Harpers Swim School

Harpers Swim School works in partnership with The Amateur Swimming Association (ASA) using the New ASA National Plan for Teaching Swimming to ensure we deliver the highest standard of swimming excellence. Swim School offers you a comprehensive range of lessons from your baby's first experience in the pool through to competitive swimming, lifesaving skills and adult lessons.

About the plan

The new ASA National Plan for Teaching Swimming has not only the most up-to-date syllabus, it also offers clearly defined progression stages that are easily understood. Within the disciplines we can accommodate many different abilities enabling pupils to progress quickly. The emphasis is on teaching correct technique over short distances providing the foundations for sound swimming and pupil progress.

Courses

Our courses run on a rolling programme throughout the year to ensure continuous improvement for all pupils. Courses are booked in prepaid blocks according to the number of weeks in the term and lessons on average are 30min long. 1:1 lessons are held at a time to suit both teacher and pupil progression.

Our Policy

It's our policy to ensure that all our lessons are enjoyable, interesting and above all aim for the highest standards of water confidence, water skills and swimming techniques. The majority of lessons are conducted over short distances allowing each pupil to benefit from continuous assessment throughout the course.

Our teachers

All our swimming teachers are ASA qualified and attend regular training courses as part of continued professional development keeping them up-to-date with the latest thinking in learning to swim. Our swimming teachers are carefully selected for their teaching ability, knowledge and experience and can with confidence deputise for each other when necessary.

ASA National Swim Awards

Badges and certificates are available for each stage of the National Teaching Plan completed. Distance awards are also available and are based predominantly on The National Plan for Teaching Swimming however other ASA skills based awards are available.

Swim School Scholarship

Each term the teachers and the head of Swim School decide who should be awarded the Swim School scholarship. This entitles the chosen pupil to free swimming lessons for the forthcoming term. All pupils are eligible.

Benefits of joining Swim School

- Individual reports every term. Easy to track your child's performance.
- Small teaching groups.
- Distance award nights.
- Swim School newsletter, with all the latest news and offers.
