Crèche

Welcome to St Albans City & District Crèche

Our Crèche facilities are fully equipped with all the necessary facilities to provide a safe and happy environment for your child, some sites also have a separate outdoor enclosed area for those summer months. All our Crèches are Ofsted registered.

Registration

All children will need to have a registration form completed for them. These details will be treated as strictly confidential and will only be used in the case of an emergency.

Booking Procedure

We operate a booking system to avoid disappointment in line with social services requirements. Members may book up to 8 days in advance over the phone or in person and non-members may book 7 days in advance in person only.

Child's Requirements

You may provide drinks and a snack for your child, with the exception of chocolate, sweets and nuts. Feel free to bring along anything which will help your child to settle ie, teddy, dummy, comforter etc. If a child cries continuously for a period of 5-10 minutes you will be contacted. If your child is in nappies please provide nappies, sacks and wipes. Please make sure that all belongings are clearly marked with the child's name.

Security

To satisfy our security procedures you are required to sign your child in at the start of the session and out at the end of the session. Only at this time will your child be released back into your care.

Health

If your child is unwell or is recovering from any contagious illness, please do not bring them along to the crèche. In cases of diarrhoea or sickness, please allow a minimum of 24 hours clear of all symptoms, before returning.

Feedback

If you have any comments or suggestions with regard to the service we provide, please fill in a customer comment form available from the crèche reception. We will take all comments seriously and respond to all of them directly.

Age Range

From three months up to fifth birthday.
