Descriptions

IT'S AS EASY AS: A, B, C!

a AEROBIC
Great for the heart & lungs and designed to get you a little out of breath. Experience fantastic results whilst increasing the efficiency of your heart and lungs as well as burning lots of calories.

b BODY CONDITION
Toning, strength and endurance. These classes are designed to get your muscles working and looking great.

c CALM
Take time out to relax and enjoy these classes, "Life takes it out of you... these classes give it back." Increase your flexibility, take an hour out of your busy schedule and learn to unwind.

The best way to plan your group fitness workout is to aim to do one of each colour within a week.

Class Descriptions

a Aerobics
A great fat-burning class based upon exercise to music, which may include some elements of choreography. Excellent for increasing fitness and reducing fat in a fun class environment.

c Ante/Post Natal Aqua
For pre and post natal woman, gentle exercise benefiting you and your unborn baby.

a Aqua
Open water athletes who want to build strength with no impact can dive in for a free floating aerobic programme that builds agility, balance, alignment, flexibility and muscle strength.

a Body Attack
Combining high and low aerobics, this class offers a good cardio and toning workout.

c Body Balance
Combines the benefits of Yoga and Pilates as well as other eastern disciplines into a challenging and invigorating experience using a unique blend of movement and music.

a Body Combat
Combines powerhouse moves and stances developed from a range of self-defence disciplines including Karate, Kickboxing, Tai Chi and Tae Kwon create a "take no prisoners", adrenaline-pumping routine. It is an empowering, athletic workout that will have you "fighting fit" in record time!

b Body Conditioning
This will help tone, shape and increase flexibility using various pieces of equipment. Suitable for all levels.

b Body Pump
Is a non-impact, resistance-training programme, which utilises barbells and adjustable weights helping to improve muscular strength & endurance. It is a studio-based group session, which is led by highly skilled, motivating instructors who receive on-going training to ensure every class is safe, effective and fun.

a Boxercise
Classic boxing using the boxing ring, punching bags and jump ropes. This class will help you to increase your speed, agility and strength.

a Circuits
Multi-stationed group exercise class designed to work on all the basic elements of fitness (strength, stamina, flexibility). No co-ordination required and all abilities welcomed.

b Ease into Aerobics
A simple workout yet challenging high/low aerobics for all ages. Including choreography, floor work and stretching.

b Fitness Yoga
Non-spiritual class to improve strength and flexibility, incorporating yoga movements.

a L.B.T.

A class for all fitness levels to help tone those problem areas.

a Indoor Cycling

An indoor cycling workout. This class is tailored to your own level and is sure to develop your cardiovascular fitness and burn plenty of calories. This programme incorporates flat and hills simulated by increasing the resistance.

c Pilates

Developed in the 1920s by Joseph H. Pilates whose aim was to combine the physique of the ancient Greeks with meditative strength of the east. It was originally a favourite of ballerinas and professional dancers, but in the last few years has begun to break through into the main stream.

a Step

A fun exercise to music class based on the use of a step which will help to increase fitness levels as well as increasing fat burning benefits.

a Zumba
