

Improvements to 5-a-side football facilities in Rothamsted Park are now complete.

The work which began in October to improve the pitch previously used mainly for 5-a-side football in Rothamsted Park, Harpenden is now complete.

The 5-a-side football pitch has been converted into a multi-use games area (MUGA) with a “third generation” synthetic grass surface, two goals and fencing around the perimeter.

Following the opening of this MUGA on Saturday 3rd December 2011 schools and community groups will be able to book sessions free of charge during the following times:

Monday to Friday: 9am to 3.30pm
Saturday and Sunday: 2pm to 5pm
