

## MEADHURST DIVE CLUB

### Welcome to Meadhurst BSAC!

We are a dive club based at Meadhurst, Sunbury-on-Thames. We are part of the British Sub-Aqua Club (BSAC), the national agency for scuba diving in the UK.

### Where we dive?

Most of our diving is done around the UK including Oban, Scapa Flow, St Abbs, Portland, Plymouth, Cornwall, Isles of Scilly, West Wales, Anglesey and the Farne Islands.

We also travel to other locations such as the Gozo Seychelles, Croatia, Maldives and the Red Sea.

### What do we see?

We dive to see wrecks, and marine life. We see plenty of wonderful things! All

of these photos were taken on trips by our members!

### Do we have a boat?

Yes- we have a brand new 6.5m RIB with 150hp engine - great for carrying 8 divers! We keep it on the south coast.

### Who can join?

We are open to all over 18years. We encourage trained divers to join us from all agencies (including PADI,

NAUI, etc).

### Do we offer training?

The Club has qualified instructors, and do offer some training. If you are not qualified, it's best to contact us to discuss training options.

### How much does it cost?

There is an annual charge to cover the cost of running the boat, together with a membership fee to BSAC. Divers share the costs of each trip and a typical day trip costs £25 per day, depending on location. Members buy their own equipment, but we do have some kit available for hire, at a small charge.

### Who to contact?

Call either:

Dave: 01784 251927  
Debbie: 07710 360926  
Steve: 07780 835876

Or email:
