We currently offer a range of swimming lessons following the ASA's National Plan for Teaching Swimming. We take children from 6 months to 16 years, complete beginners to competitive swimmers. We offer a range of classes across a variety of times of the week to suit all lifestyles. Once your child is a confident swimmer we can also offer interesting and fun courses in Water Polo, Diving and Synchronised Swimming.

Rookie Lifeguard and Full NPLQ lifeguard courses are available for those who then wish to take up employment.

Easy payment terms are available with Direct Debit, especially useful if you have more than one child to consider. We are currently enrolling for our next term so book your place now to avoid disappointment.
