## Dermalogica® for optimum skin health

Dermalogica® is a state-of-the-art skin care system utilising the latest advances in ingredient technology, together with age-old treatment traditions to revive total body wellness and optimum skin health.

Researched and developed by the world renowned international Dermal Institute, Dermalogica® was created in response to today's demand for innovative, effective skin and body care without outdated, time-consuming rituals.

The result of years of study, each formulation contains only the finest of ingredients available and is delivered in contamination-free packaging to ensure maximum benefits to the skin. Dermalogica® is the choice of professional skin care centres, spa and medical practices throughout the world.

### LaStone Therapy - £45.00

Why get a LaStone treatment instead of a traditional massage?

- LaStone is a massage and:
- A deep tissue healing treatment
- A detoxification treatment
- An immune system booster
- An energy treatment & sanctuary for the soul.

LaStone Therapy goes beyond the physical experience of typical massage and enters deeper dimensions of relaxation, health and well being, creating a positive approach of the "Body-Mind-Spirit" philosophy.
